General Outlook:

The “5<sup>th</sup> Arab-Hellenic Economic Forum” is convened at Divani Caravel Hotel of Athens, on 29-30 November 2016, under the title “Unleashing the Arab-Hellenic potential”. Greece and the Arab World possess a wealth of human and natural resources and an abundance of business possibilities. The potential to elevate the trade balance and to increase the level of investments between the two sides is enormous. The Forum’s topics are in areas that reflect Greece’s positive strides which, coupled with the Chamber’s latest initiative in the issue of “Transfer of Technology and Know-How to the Arab World”, will constitute the basis of discussion and networking, with the aim of reaching fruitful and practical results.
